Team Information BMW M235i Racing

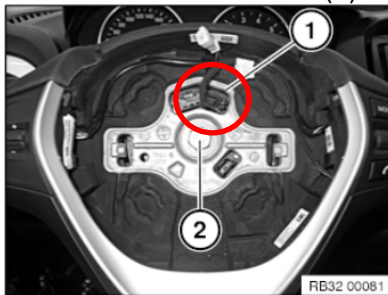

Check MFL. (US – Models cage 15XX only)

Please check if your Multi-function switch is unplugged. As the multi-function unit isn't developed for Racing-use it should always be out of function.

- Remove the "Airbag" Cover by using a T20 Screw driver.

- Remove MFL connector (1).

- Install the "Airbag" Cover.

Beste Grüße / Best regards,
BMW Sports Trophy Team
